January 2004

Annual Lone Star Region Memorial Day Races

On May 29-30 – The Lone Star Region hosts the Aggienapolis 500 Regional/Restricted Regional/National races at Texas World Speedway in College Station.

Help is needed at the event. If you want to come watch some great racing, contact Race Chairman Mark VonBargen to see about working corners, timing and scoring, hospitality (driver's lounge), or paddock related functions. Mark's email is MVonBargen@gja.net and his phone number is 512-426-7662.

We also will need help getting driver packets together the week before the race – it will take 2-3 hours one evening, probably Tuesday or Wednesday. If you'd like to come join the fun, contact our Assistant RE, Paula Taylor, at 512-338-4008.

Racers note that TWS will be putting on a practice day on Friday the 28th. Information will be included in the entry package.

Lone Star Region Rosanky Rally Planned

In the early planning stages is the Lone Star Region **Rosanky Rally**. Come "rally" to Rosanky with us! This will be a SIMPLE gimmick rally from Austin to Rosanky.

We'll tour the countryside starting in the late morning, arriving in Rosanky at lunch. Lone Star Region will provide the food, and participants will bring their own beverages.

Afterwards, we'll tour the renowned **Central Texas Museum of Car History** located in Rosanky. This should make for a pleasant Saturday drive, and a chance to hang out with fellow Lone Star Region members and show off your rally ride. More information as things firm up.

Superkarts in Austin for Austin Grand Prix

June 4-6 – Mark your calendars to attend Austin Grand Prix 2004 – the first Superkarts! USA (SKUSA) Regional Race ever held in Austin, Texas. This race will be free to the viewing public and heavily promoted in the local and regional media. The track will be set up at the Highland Mall, 6001 Airport Blvd.

The organizers are expecting about 100 superkart race teams to compete in the event. Cruise by and watch the action, which is always intense in karting!

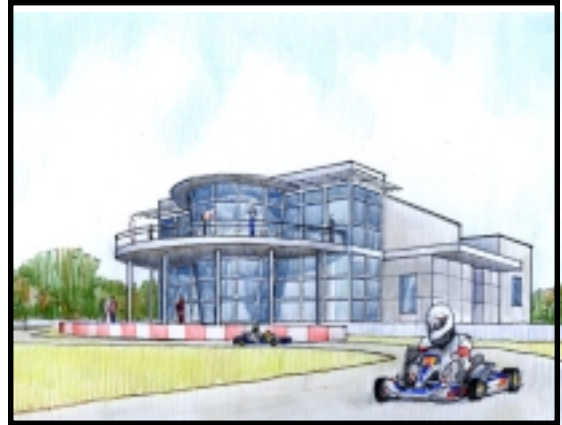

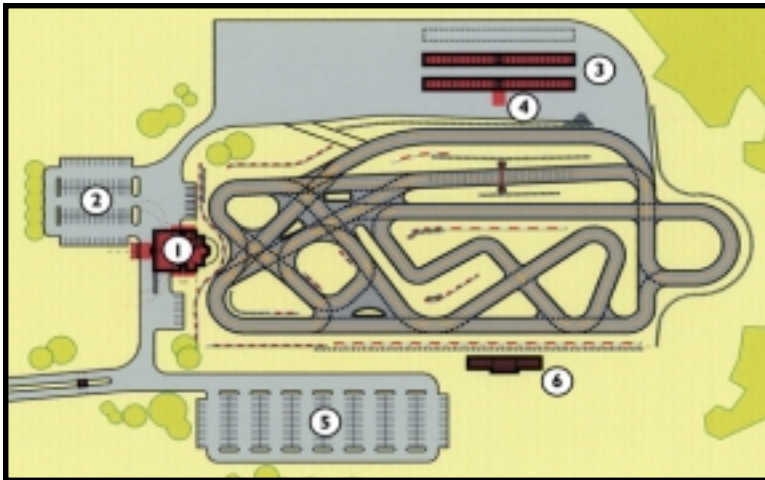

For more info, contact Rodney Berryhill (SKUSA Red River) at Champion Kart Shop 405-579-5278, or Rich Phillips at Iron Rock Raceway: 512/617-6408 or 512/657-8911.

Austin Racing Action

Iron Rock Raceway

Admit it, this looks pretty good. Due to open in 2005, just minutes from downtown Austin. Check out the website at www.ironrockraceway.com.

Want Some Great Action Right Now?

Don't forget about our good friends at **RPM Indoor Raceway** in Round Rock. We have had many great outings there. It's unbeatable - in my humble opinion - as a way to tune up your reflexes prior to an SCCA race weekend. Visit their website at www.rpmir.com or give them a call at (512) 255-2552

Just Wanna Watch?

NASCAR 3D at the IMAX. – Interested in getting a group together to see this fun show? We're trying to get a time one Friday evening in June – if you're interested, contact Paula Taylor (email: racemom13@hotmail.com, phone: 338-4008)

Thought About It?

Do it!

If you've ever thought about having a truly memorable weekend at the racetrack, now is the time. All racing organizations, SCCA included, need enthusiastic volunteers to put on race events. Learn about the possibilities at our website: www.lonestarscca.org

Then contact us and have yourself an adventure!
