November 2003

LONE STAR REGION BOARD MEETING October 22, 2003

Meeting was called to order by RE Darrell Matocha at 7:30 pm at Athena Manufacturing. Members present: Darrell Matocha, Paula Taylor, Kerry McEntire, and Bill Johnson. Guests: Mark VonBargen and Cliff Maxwell.

Since there was no quorum present, the following items were discussed.

Treasurer Report: Darrell was not able to get the Regional financial files from Patrick O'Keefe until 10/22/03. The box was turned over to the Audit Committee. Signature authority will be transferred to Darrell and to Kerry as soon as possible. Once the Audit is complete, Kerry will report to the Board on suggestions for moving our accounts if needed.

Double National: Mark VonBargen reported on status. We are looking at running a special regional race (run for a contingency prize) in conjunction with the N/N if the schedule can be worked out and approved by the Executive Steward. We are looking at moving race headquarters to the Hilton. Deadline for Sports Car Ad is November 19. Mark will work with them on a ¼ page ad.

SOWDIV Director: Reminder that ballots have been mailed to all members – we need to encourage members to vote. Discussion of the candidates followed.

Annual Meeting: Wednesday, November 12, 2003, 7:30 pm at Scholtz. A Fajita dinner will be provided, cash bar. Racing related videos will be running. Election of officers and a short business meeting will be included. Candidates were discussed and the following slate proposed: RE: Darrell Matocha; Asst RE: Paula Taylor; Secretary: Mark VonBargen; Treasurer, Kerry McEntire; Directors: Cliff Maxwell and Danny Benzer. Notice of the meeting as gone out along with information for people who might be interested in having their name placed on the ballot. The Secretary, Chris Taylor, will have ballots mailed to the membership by November 1, 2003.

Annual Awards Meeting: Susan Balon, SOWDIV Treasurer, reports trophies should be available by Mid-December. We will look into an early January awards meeting at Dave & Busters. Special awards were discussed.

December School Cancellation: Discussion on advisability/possibility of hosting the event. Given time constraints and date availability at TWS, it was decided Lone Star Region would not try to cover expenses for the event. Darrell will contact Houston,

Texas, and South Texas Border regions about making it a cooperative effort – we split the work, the profits/loses between the regions and make it a divisional event. If they are not in agreement, we'll have to let it drop.

Change in Officers: Darrell will notify Nation Office and the Division about changes in our Treasurer and Secretary.

Website and Newsletter: Bill Johnson will look into options for website hosts since our current cost seem high. It was decided to use a postcard format for **The Draft** (giving upcoming event information and referring people to the website) and get member feedback. The Board is open to suggestions from members on both the website and the newsletter.

Respectfully submitted,
Paula Taylor
