

SCCA Lone Star Region SCCA August 2006 Meeting Minutes

7:30 called to order

Officers/Directors: Bill, Cliff, Danny, Antonio, Eric

Members: Paula, Chris, John & Kim Zentner, Don Batson

Motion to waive reading of July meeting: passed

Cliff met with Kerry to start the handover process of the treasury. Migrating from Mac to PC should be done by next meeting.

Antonio has receipt for Radio Eddie's hotel room but not sure if he got reimbursed. Will check as soon as possible.

Co-op agreement is in place with Houston Region for March and we're not sure what we're doing for May.

TWS is no longer a divisional track.

Schedule has been tentatively set. 8 nationals, 7 or 9 regionals depending on Texas Region event, one enduro, 3 schools.

A double national is now like any other race, no profit/risk sharing with the division.

Thanks to Paula for organizing the meeting. (note on meeting...we went about \$250 over the \$500 which was what we planned more or less).

Chris will organize November meeting and Antonio will send out notices and nomination forms.

Rally Cross: The course is approved. The event may be moved up because there's an opportunity to do it sooner. Looking at 7th or 15th of October (subject to change).

7:46PM Motion to adjourn Garza/Maxwell approved.
