

# SCCA Lone Star Region January 2005 Meeting Minutes

## January 13, 2005

### **Attendees:**

BOD/officers: Danny Benzer, Bill Johnson, Cliff Maxwell, Ed Gilfus, Mark Von Bargen, Kerry McEntire, Antonio Garza, Darrell Matocha (past RE)  
Members/guest: Greg Ward (Solo/Spokes), Chris Taylor, Walt Taylor

**Previous Meeting Minutes:** distributed and approved.

**Treasurer Report:** distributed and approved.

### **Old business:**

Take inventory of any documents anyone might have just so we have a record of what we have.

Need to get a list of member e-mails.

### **Race:**

Still looking for course marshal

TWS will allow us to get into the track during the Friday test day.

National still has not sent us out a mailing list.

We're doing a flyer/postcard instead of a mailout (~\$1800 savings)

We're getting 2 kegs of beer for the Saturday party. Applied Racing Technology (Ed Gilfus and Karl Zimmermann) is sponsoring one of them.

There will be no beer at Friday night registration due to the congestion problems it can cause.

Worker gifts—motion to handout water bottles to all workers and also to wait until Saturday to decide on t-shirt raffle or give-away.

Starting cash needed for merchandise sales.

### **Sowdiv Meeting**

9am start at Paragon Prep School 2001 W. Koenig Ln.

Paula will notify Colin to post venue change

Will have continental breakfast

### **Solo Sanction**

Greg Ward from the Spokes Club gave an overview of a Solo event and what is needed from LSR.

Technically region pays insurance but national will receive check from anyone.

The event will be at the Cooper tire test facility in Pearsall.

It's a 2-day event starting January 3-5 (incl. Friday registration).

SCCA membership is required (temp membership allowed)

SCCA does 90-day temp membership.

A question was asked about profitability, the answer being that this event could barely break even due to lower attendance than a Spokes event and higher insurance/sanction fees. Technically LSR is exposed by \$1600 but Spokes will cover that exposure up front. Motion was made to sign sanction with a \$1600 deposit by the Spokes club.

**Website Advertising:**

**Action:** Antonio to investigate advertising rates for similar sites as LSR and report back.

**Temporary Memberships:**

LSR owns \$750 worth of temp memberships purchased from national. LSR will continue selling temp memberships until further determination in order to defray the cost of those memberships.

**Action:** Mark to investigate if we get our money back since temp memberships are free from national now.
