

## SCCA Lone Star Region June 2006 Meeting Minutes

Meeting called to order 7:20pm

Attendees: Board: Kerry McEntire, Cliff Maxwell, Eric Jones, Danny Benzer, Antonio Garza, Bill Johnson. Members: Chris Taylor, Paula Taylor.

May Event—TWS lost the contract. We were getting charged an extra hour for Saturday. The extra hour was negotiated down to \$300 from \$1350 plus we were owed \$375 for gate passes and we did not sell any passes ourselves). The reason the race ran long was that we had a tight schedule and also there was the big SM wreck. At that point in the race, there was only one wrecker since the other one broke down.

Treasurer's Report—Owed \$200 from ART and \$150 from Bill/Athena for party. Motion to approve (Maxwell/Garza) passed.

Toast to Kerry for 3 years of being our Treasurer with our appreciation.

For next year we need a new Treasurer. The bylaws say Cliff takes the position or can appoint someone. We need to talk about this the next meeting.

Next year—We need people to step up. Our plan to go to SOWDIV meeting to say we're taking a year off is not such a good idea in Cliff's opinion, because if someone steps up, we won't have a race date for the new people to host a race. We need to reserve options for Lone Star but don't want to leave SOWDIV hanging. We could support both regions having a N/N. We could propose at the July SOWDIV meeting that Houston and Texas regions could each host a N/N at TWS.

SOWDIV meeting—Motion to preserve May date (Maxwell/Garza) approved.

Houston may not want to coop May N/N, no benefit to them (P. Taylor). Cliff thinks it could be a benefit to Houston.

Motion to talk to James Rogerson (incoming Houston RE) about N/N, cooping, divisional track status for TWS, etc. Motion (Maxwell, McEntire) approved.

Get together with James Rogerson before SOWDIV meeting.

Paula presented her July SOWDIV meeting budget (\$500 with possible upside). Motion (Garza/Jones) approved.

Motion to support adding TWS divisional track status on the SOWDIV July meeting Agenda (Jones/Garza) approved.

Rallycross—Chris & Greg will own the event and will get together to organize.

Meeting adjourned 9pm
